Subject: RE: response to information request

Thanks Dave. We will review and contact you with any questions.
When is your timeframe for posting the CAD cell for public comment? Is it likely that you will extend the review period from 15 days to 30?
Thanks again for pulling this information together.

Korrin - here are the remaining responses to your request for information related to the proposed Superfund CAD cell. Note the attachments indicated in response #4 will come via separate email.

Any questions please don't hesitate to contact us.

Dave
